

# A Rough Approximation of the Admissions Process for the Information Systems Department

\*The Information Systems Department reserves the right to allow exceptions in the admission process where it is deemed necessary to admit the most qualified students.

\*\*Students with a Pre-Req (IS201, IS303, FIN201, MKTG201, ACC200) GPA of less than 3.0 cannot be admitted into any Marriott School program. This is a Marriott School policy.

\*\*\*Retaken classes are discounted by 1/3 GPA (i.e., if you receive an A the second time around, we treat that like an A-).

**FOR MORE INFORMATION, PLEASE SEE AN ADVISOR IN 460 TNRB.**
